Dear Parents and Carers,

RE: Parent Maths Stay and Learn sessions

Tuesday 23rd November at 9.00am

We would like to invite you into your child's classroom on Tuesday 23rd November for a Maths Stay and Learn session. In the classroom, you will see a maths input and then get a chance to learn with and support the children with a fun maths activity!

The session will begin by entering the classroom with your child at 8.50am to take part in the maths lesson for 20 minutes. After this classroom session, our maths leader, Miss Basi, will be doing a short presentation in the hall for parents. She will be going through the ways we teach arithmetic at Rockliffe Manor, with a particular focus on Multiplication in KS2. She will also talk about ways in which you can support your child at home with their maths learning. It will also give you an opportunity to ask any questions you may have.

We do hope that you can join and if you have any questions, please feel free to contact the school office.

Yours faithfully,

A handwritten signature in blue ink that reads 'A. Vdovin'.

Aimi Vdovin
