As we approach the end of another academic year, we also say goodbye to members of staff who are beginning new journeys.

We say goodbye to Ms Riches who is leaving Rockcliffe Manor to take an exciting new role at a school in a different local authority. Ms Riches has been at Rockcliffe since November 2021 and has worked tirelessly in her Nursery teacher role, being the first face, our youngest children meet.

We would like to thank Ms Riches for her endless hard work and commitment across the whole Rockcliffe Manor community. We will miss you and wish you all the very best.

We also say goodbye to Miss Ewins and Miss Wilson. Miss Ewins is relocating closer to her family and we wish her the very best, during her time with us Miss Ewins has provided support to many children and built amazing relationships with the children and staff alike. We wish her the very best on the new chapter of her life. Miss Wilson is leaving us to pursue a career in teacher training, since starting Rockcliffe Manor, Miss Wilson's love for education and passion for teaching has been at the heart of all she does and we are sure she will continue to have a great career ahead.

With sad goodbyes, also comes a new beginning and we are delighted to welcome a new member of staff to our Rockcliffe family. We would like to welcome Mrs Clifford as year 5 class teacher and also Ms Nelson in her Assistant Headteacher role in full capacity. They both are coming over from Woodhill Primary School as teachers with much experience and expertise to share. Please find attached Mrs Clifford's pen portrait so that you can find out more about her. We cannot wait to begin working with these colleagues to ensure that our children have the very best learning experiences.

I have been lucky enough to have been working within the Inspire Partnership for two years now, with my most recent class being Year 6 at Woodhill Primary School. When I was growing up I always knew I wanted to be a teacher, I feel that I have one of the best jobs in the world. It is such an honour getting to know so many different children over the years, and I know that my new year 5 class will be no exception to this. I have lived within the community my whole life, attending Plumstead Manor Secondary School and later on, The University of Greenwich. This is where I studied my first degree in Politics, International Relations and French. Prior to becoming a teacher, I worked within the House of Commons as a Parliamentary Researcher. It was here, where I furthered my love for education, with much of my research surrounding Education Policy. My own personal ethos of collaboration, equity, diversity and inclusion will be at the forefront of my classroom. These qualities should be embedded in children's lives, not only through their subject knowledge but also through their individual development. At Rockcliffe Manor, I will strive for a welcoming, respectful and enjoyable environment. An environment where the children feel valued, and their individual learning needs are met. I pride myself in having high expectations and ensuring that the children are given the ability to grow in confidence. I am incredibly excited to join the Rockcliffe community, and I look forward to getting to know the children and their families over the next coming years.

Best wishes,

Yours sincerely
