Dear Families,

RE: Broadstairs Beach Trip

We are pleased to inform you that Year 1 will be going to the seaside for the day to Broadstairs in Kent on **Wednesday 5th July**. This trip is a really memorable experience for all of the children and feedback from previous years has always been really positive.

We have organised this trip as part of our curriculum, and we believe that it will provide an excellent opportunity for our learners to experience the seaside environment and engage in a range of activities that will enhance their learning.

The cost of the trip is a voluntary contribution of £20 per learner, which has been subsidised by the school to make it accessible for all. This can be paid in instalments via [Arbor](#). If any families require support or have any questions regarding the voluntary contribution, please do not hesitate to speak to a member of staff in the school office or Mrs Aliaj, who will be happy to provide further information and support. We want to ensure that all learners will have the opportunity to participate in this exciting trip, and we appreciate your continued support in making this possible.

We have worked hard to get a coach at the best price with the number of seats we need for the children and adequate staff support, they are very expensive in the summer months! Due to this, we do not have that many seats for parent volunteers. If you would like to join the classes on this trip, you are more than welcome to travel to Broadstairs separately and connect with the children once there.

Please note that we will be leaving school at **9:00am** and returning to school at approximately **4.00pm**. If you have any other children in the school, please make sure you arrange alternative collection for them, and let the office know if this is a challenge.

We are looking forward to an exciting day at the beach! We hope that our learners will benefit from this unique learning experience and make memories they think of dearly throughout their time at Rockcliffe and beyond.

Yours sincerely

Nancy Cook
Associate Headteacher
