Dear Families,

### **Online Reading Programme – Collins Ebooks**

We are pleased to let you know that as a school we are continuing with the reading programme called **Collins Big Cat eBooks**. This programme is in line with the Little Wandle Phonics scheme. Each week the children will be allocated the **same** book that they have been reading at school in their Fluency reading sessions. This gives them the opportunity to show you everything they have learned.

The children should be able to read this fluently and independently as it will be carefully matched to your child's current reading level. If your child is reading it with minimal support, please don't worry that it's too easy – your child needs to build fluency and confidence in reading.

Whilst listening to your child read, remember to give them lots of praise – celebrate their success! If they can't read a word, read it to them. After they have finished, talk about the book together. Reading should occur at least 5 times a week to give your child sufficient practice. **Please record each session in their reading records.**

To foster a love for reading, your child will also choose a book weekly from the book corner, which they can enjoy alongside their eBook.

Attached is a 'Parent Information Guide' detailing how to access your child's library using either the website or by downloading the app to a tablet or phone.

**Your child will be sent home with their login information for you to access the platform.**

Yours faithfully,

Miss Roper
