Friday 14<sup>th</sup> January 2022

Dear Parents and Carers,

**RE: KS2 science Parent Stay and Learn sessions**

**Wednesday 26<sup>th</sup> January 2022**

We are happy to announce that we would like to invite you into your child's classroom on **Wednesday 26<sup>th</sup> January** for a science Stay and Learn session. In the classroom, you will see a science input and then get a chance to learn with and support the children with a fun activity!

The session will begin by entering the classroom with your child at 8.50am to take part in the science lesson for 30 minutes. It will be an amazing opportunity to engage in learning with the children and to gain an insight into how science, as a core subject, is taught within the KS2 years. Our focus has really been on raising the profile of scientific vocabulary and for children to recall previous learning to help them with their new knowledge.

We do hope that you can join and if you have any questions, please feel free to contact the school office.

Yours faithfully,

Aimi Vdovin  
Headteacher
